4. PRIZE DRAW

The prize draw will only take place once and will be carried out in the offices of Mediterranean Elche, Parque Industrial, C/ Severo Ochoa 44, 2nd floor, on the 7th of March 2012.

If for reasons outside of **Mediterranean's** control the draw cannot take place on the aforementioned date, it will be postponed until the next working day (not Saturday) following the resolution of the problem that impeded the draw taking place on time.

Mediterranean reserves the right to deny entry to any participant in the case that irregularities are detected in their participation.

5. PRIZE

The prize in the draw is a **3D camera**.

The prize cannot be changed for the same value in cash, nor for a different prize.

Mediterranean CAM International Homes, S.L., as the organiser of this competition, reserves the right to at any time modify, amplify, restrict or withdraw the present promotion, for justifiable reasons and without infringing upon the acquired rights of the participants.

The awarding of each prize is personal and non-transferable for the winner. The participants and the winner specifically give exemption to Mediterranean CAM International Homes, S.L., as well as the collaborators and marketing companies involved in this promotion of the responsibilities derived from the bad functioning of the Internet, of the servers and the various agents involved in transmitting the web page on the net, not having anything to claim against any of the aforementioned entities.

6. COMMUNICATION OF PRIZES

On 28th February 2012 at 00:00, the promotion will close and will proceed to the Prize Draw of said promotion on the 7th of March 2012.

Mediterranean will contact the winner by telephone within 72 hours of the Prize Draw. The winner has the exclusive right to enjoy the prize obtained without the possibility of applying for economic compensation in the case of renouncing the prize.

7. FISCAL

- Mediterranean applies the current fiscal legislation to the prize in this promotion.
- In the case that the winner chooses, with the agreement of Mediterranean, to give up their prize, for fiscal reasons they will continue to be considered as the beneficiary.

The prize which is the object of the draw is subject to a deposit in the account of the IRPF. The percentage of the deposit made for residents is currently 19%, the percentage applicable to non residents is 24% but this is not permanent, unless there is an agreement which applies to avoid the double contribution subscribed by Spain, in which case it has to be as stipulated in said agreement.

Mediterranean makes the contribution for the correct amount to the account and pays it to the Treasury on the winner's behalf.

The fiscal repercussion of the prize in the accounts of the winner is his own responsibility, for which **Mediterranean** remains relieved of any responsibility. To this effect, **Mediterranean** issues and sends a certificate which contains the details corresponding to the prize.
